

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF UTAH

BRIAN MAGUIRE,

Plaintiff,

v.

DR. RICHARD GARDEN et al.,

Defendants.

MEMORANDUM DECISION &
SECOND ORDER DIRECTING SERVICE
OF PROCESS, ANSWER AND/OR
DISPOSITIVE MOTION

Case No. 2:10-CV-626 CW

District Judge Clark Waddoups

Plaintiff, Brian Maguire, an inmate at Utah State Prison (USP), filed this *pro se* civil rights suit. See 42 U.S.C.S. § 1983 (2012). Plaintiff was allowed to proceed *in forma pauperis*. See 28 *id.* § 1915. He now moves to amend his amended complaint to give specific names to John Doe defendants one, five, and six. The Court grants his motion and hereby incorporates "Motion for Leave to File an Amended Complaint," (see Docket Entry # 86), into the Amended Complaint, (see Docket Entry # 31).

Based on review of the information now incorporated into the Amended Complaint, the Court concludes that official service of process is warranted. The United States Marshals Service is directed to serve a properly issued summons and a copy of Plaintiff's Amended Complaint and a copy of document number

eighty-six, along with this Order, upon the following individuals:

Steve Mecham, Nurse
Jerry Miller, Correctional Officer
Dale Whitney, Correctional Officer

Once served, Defendants shall respond to the summons in one of the following ways:

(A) If Defendants wish to assert the affirmative defense of Plaintiff's failure to exhaust administrative remedies in a grievance process, Defendants must,

- (i) file an answer, within twenty days of service;
- (ii) within ninety days of filing an answer, prepare and file a *Martinez* report limited to the exhaustion issue¹;

¹ See [Martinez v. Aaron, 570 F.2d 317 \(10th Cir. 1978\)](#) (approving district court's practice of ordering prison administration to prepare report to be included in pleadings in cases when prisoner has filed suit alleging constitutional violation against institution officials).

In [Gee v. Estes, 829 F.2d 1005 \(10th Cir. 1987\)](#), the Tenth Circuit explained the nature and function of a *Martinez* report, saying:

Under the *Martinez* procedure, the district judge or a United States magistrate [judge] to whom the matter has been referred will direct prison officials to respond in writing to the various allegations, supporting their response by affidavits and copies of internal disciplinary rules and reports. The purpose of the *Martinez* report is to ascertain whether there is a factual as well as a legal basis for the prisoner's claims. This, of course, will allow the court to dig beneath the conclusional allegations. These reports have proved useful to determine whether the case is so devoid of merit as to warrant dismissal without trial.

Id. at 1007.

(iii) within ninety days of filing an answer, file a separate summary judgment motion, with a supporting memorandum; **and**

(iv) within ninety days of filing an answer, submit a proposed order for dismissing the case based upon Plaintiff's failure to exhaust, in word processing format, to:

utdecf_prisonerlitigationunit@utd.uscourts.gov.

(B) If Defendants choose to challenge the bare allegations of the complaint, Defendants shall, within twenty days of service,

(i) file an answer; or

(ii) file a motion to dismiss based on Federal Rule of Civil Procedure 12(b)(6), and submit a proposed order for dismissing the case, in word processing format, to:
utdecf_prisonerlitigationunit@utd.uscourts.gov.

(C) If Defendants choose not to rely on the defense of failure to exhaust and wish to pierce the allegations of the complaint, Defendants must,

(i) file an answer, within twenty days of service;

(ii) within ninety days of filing an answer, prepare and file a *Martínez* report addressing the substance of the complaint;

(iii) within ninety days of filing an answer, file a separate summary judgment motion, with a supporting memorandum; **and**

(iv) within ninety days of filing an answer, submit a proposed order for dismissing the case based upon the summary judgment motion, in word processing format, to: utdecf_prisonerlitigationunit@utd.uscourts.gov.

Plaintiff is notified that if Defendants move for summary judgment Plaintiff cannot rest upon the mere allegations in the complaint. Instead, as required by Federal Rule of Civil Procedure 56(e), to survive a motion for summary judgment Plaintiff must allege specific facts, admissible in evidence, showing that there is a genuine issue remaining for trial.

ORDER

Accordingly, **IT IS HEREBY ORDERED** that:

(1) Plaintiff's motion to amend his amended complaint is GRANTED. (See Docket Entry # 86.) Docket Entry number eight-six is hereby incorporated into the Amended Complaint. (See Docket Entry # 31.)

(2) The United States Marshals Service shall serve a completed summons, a copy of the Amended Complaint, (Docket Entry # 31), a copy of docket entry number eighty-six, and a copy of this Order upon the above-listed defendants.

(3) Within twenty days of being served, Defendants must file an answer or motion to dismiss and proposed order, as outlined above.

(4) If filing (on exhaustion or any other basis) a *Martinez* report **with** a summary judgment motion and proposed order, Defendants must do so within ninety days of filing their answer(s).

(5) If served with a *Martinez* report and a summary judgment motion or motion to dismiss, Plaintiff may file a response within thirty days.

(6) Summary-judgment motion deadline is ninety days from filing of answer.

(7) Defendants must stay a final *Martinez* report and summary-judgment motion, including all defendants--with the newly specifically named defendants--to meet the scheduling requirements of this Order.

(8) Defendants' motion to seal medical records is GRANTED.

(See Docket Entry # 70.)

DATED this 25th day of July, 2012.
